June 2026

Dear Parents/Guardians:

Vaccines help protect your child from serious, preventable infections while also helping protect others around them. Routine vaccination programs in Canada are highly effective at protecting children against over 15 diseases that can cause severe illness, complications or even death.

Hamilton Public Health will be offering community vaccination clinics throughout the 2026 summer months. These clinics are intended for:

- Students in grade 7 to 12 who have missed or were unable to receive the grade 7 Hepatitis B, Human Papillomavirus (HPV-9), and Meningitis vaccinations provided at school.
- Individuals who do not have an Ontario Health Card and are unable to receive routine childhood vaccinations with a family health care provider or walk-in clinic.

Clinics will be hosted at the East End **Public Health Clinic** located at **247 Centennial Pkwy N, Unit 8**. All routine childhood vaccinations are available at this clinic location.

Appointments for community vaccination clinics will be posted on the City of Hamilton website regularly throughout the summer. Please visit www.hamilton.ca/GetYourVaccine for more information and to book an appointment.

If you need assistance booking an appointment or would like to speak with a nurse, please call the Hamilton Public Health vaccine line: 905-540-5250, option 3.

Summertime is a great opportunity to speak with your healthcare provider if you have any questions about vaccines, and to ensure that your child is up to date and protected by recommended routine childhood vaccines.

Please note, you are responsible for letting Hamilton Public Health know each time your school-aged child receives a vaccine from your family health care provider. There are 3 options for reporting vaccinations to Hamilton Public Health:

- **Online** – www.hamilton.ca/reportingvaccines or scan QR Code
 - *Online submissions may require a processing time of 5 to 7 business days.*
- **Phone** – 905 540-5250
- **Mail** – City of Hamilton, Public Health Services, Vaccine Program
P.O. Box 897, Hamilton, Ontario, L8N 3P6
